Words cannot express how much your wonderful gift of my grandmother's memorial DVD meant to me. What talent you have. I only wish Mom could have seen it. Daddy, Josh and I all cried, but for me it was a happy cry to be able to see Grandma again...

I Love the DVD's you made for me. They took me on a long trip – through the first 20 years of my marriage. I think you did a wonderful job, I thank you very much. One of my daughters is coming for an overnight and I'm going to have her watch one reel with me! I hope you are as busy as you want to be. If I know of anyone interested, I will surely send them to you.

Sheri, I can't tell you how deeply the DVD touched folks. Yes, they were our pictures and the music we chose, but the way in which you listened to the heart of the message, to the heart of the heart-it came across in ways that touched people beyond pictures of Marvelous Mark and his family, and carried into their own lives. It was just such a gift, and again a gift that came from the attentiveness of your heart to the Lord and to what is put before you. I just wanted to say thanks. Again and ongoing...

You transferred some videos to DVD for us, showing my daughter as a young child. Thank you for that. She called it the best of all her gifts.

Thank you so much for the beautiful job you did with Dad's slides and for our wonderful DVD's and tapes. You have such a talent to put it all together with music, etc... I so enjoyed the "yesteryears" of the Sivacoese. We did have a lot of good times and great parents and friends and fun. You are the best. Thanks so much again.

P.S. You put a lot of love and care into your work!

This is just a little note to express sincere and heartfelt gratitude for the tapes you converted to DVD's for me! Thank you so very, very, much! You did an outstanding job and I appreciate your professionalism and friendliness so much! That was cute of you to include a bag of popcorn in the sack too! Thank you from the bottom of my heart! I can't wait to show the boys these DVD's of when they were little. I will recommend you highly to all my teacher friends. It was a pleasure doing business with you! Thank you very much, Sheri, you did a wonderful Job!
